Also still an important winter theme: elegant, high-quality baby corduroy in both plain colours and subtle designs. The highlight is an art deco print on flowing velvet.

Modern Classics:

Fine jersey with a neat look has become indispensable in winter. In addition to slim shapes, there are also new straight and flared styles. There is also a wide range of designs: Typical English glen checks, pied de poule and graphic prints score points with colourful accents. Lurex jersey brings glamour into play.

Cosy jerseys are high-quality and tonal, with fine pinstripes, soft herringbones and elegant checks.

Scuba jersey comes with lurex decoration and is complemented by striking prints.

Highly elasticated high performance flannel comes in new styles from slim to flared.

Styles:

The most important silhouette at Raphaella is still slim, but other styles have also established themselves very well.

Three silhouettes are important: Bootcut and Easy Kick: most beautifully interpreted in denim and baby corduroy.

Straight cut: straight-cut, cool new silhouette in cotton and fine jersey.

Flared leg: wide, casual trousers, predestined for cosy jersey and wool.

Modern pull-on styles and innovative waistband solutions guarantee comfort and the perfect Raphaella fit.

Slim:

The slim trousers with a comfortable waist, narrow hips and narrow thighs.

Super Slim:

The "super slim" with even more comfort in the front waist, very straight hips and significantly narrower thighs.
